Shelter Statistics/Managers report

- January 2022 statistics were reviewed –
 - Live release rate is 97% (dogs-99%; cats-97%)
 - Intake: 218
 - Adoptions: 149
 - 172 volunteers worked an average of 1509 hours
 - 112 active foster parents / 174 foster pets
- LCAC will apply for a new BIPOC-Led Operating Support Grant. The grant award will be between \$5,000-\$50,000 and will be used to serve the lower income communities in League City.
- Puppy Love and Super Adoption event held on February 12th was very successful. 28 dogs and 10 cats were adopted out.

Discussions were held on:

- Four new positions to be requested for fiscal year 2023:
 - Community Outreach Coordinator II
 - Office Support Specialist
 - Lead Animal Technician
 - Animal Protection Officer.
- Proposed microchipping ordinance – review was held, Stacy motioned to approved, Dr. Robinson 2nd. Motion was passed unanimously, and the proposal will be presented to city council.
- Noise complaints from Oaks of Clear Creek – Jasmine met with homeowners to discuss their concerns. The homeowners expressed their support of the shelter. LCAC will continue to find solutions to resolve their complaints.
- LCAC SOPs – reviewed questions on the procedures; will continue to finalize the procedures.

Next meeting will be Tuesday, April 19, 2022, at 6:15 p.m.

Meeting adjourned at 6:51 p.m.
